Brilliant Futures™ is a simple yet comprehensive programme from CooperVision which will support you in successfully establishing myopia management in your practice.

This event will:

- Provide an update on the latest 6 year MiSight® 1 day clinical study results
- Introduce the Brilliant Futures™ myopia management programme and how it can support you in establishing and growing your myopia management practice
- Share the experience of establishing myopia management in an independent practice

Guest Speakers:

Manjula and James Alexander

Simmons Optometrist

Manjula and James Alexander, owners of Simmons Optometrists, were inspired by BCLA 2015 and over the past 5 years have built a strong myopia management practice. Their first MiSight® 1 day patient was their son and they haven't looked back since.
